

European Aviation Safety Agency

SUPPLEMENTAL TYPE CERTIFICATE

EASA.A.S.03436

This Supplemental Type Certificate is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation and in accordance with Commission Regulation (EC) No. 1702/2003 to

ATL

**Building 105
Bournemouth Airport
Christchurch
Dorset BH23 6NW
United Kingdom**

and certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable Type Certification Basis and environmental protection requirements when operated within the conditions and limitations specified below:

Original Product Type Certificate Number: DGAC France TC n° 72

Type Certificate Holder: Airbus

Model: A310-200 / -300

Description of Design Change:

Bluesky D1000 Satcom (Provisions).

This Supplemental Type Certificate installs provisions for a further configuration installing BlueSky Network Satcom System D1000 with an Intercom Integration option.

Associated Technical Documentation:

Master Drawing List, ref. MDL/A31/017, Issue 3.

Limitations and Conditions:

1. The BlueSky Satcom System, installed by this STC, has not been certified as a means of voice or data communications with Air Traffic Control and should therefore not be relied upon when planning operations outside VHF coverage.
2. Prior to installation of this modification the installer must determine that the interrelationship between this modification and any other previously installed modification will introduce no adverse effect upon the airworthiness of the product. The installation of this modification by third persons is subject to written permission of the approval holder.

This Certificate shall remain valid unless otherwise surrendered or revoked.

For the European Aviation Safety Agency,

Date of issue: 02 April 2009

Henry WILDEGANS
Project Certification Manager
